

Working America Canvassing in Glendale

Starting Tuesday, August 24th 2010, a local community group known as "Working America" will be canvassing Glendale for their membership drive. This group has been in Glendale for six years. Under federal law they are allowed to canvass in our village. The purpose of their "membership drive" is to provide background information on "Working America" and their canvass operation. This group will be working the area from 4:00pm-9:00pm for only a day or two. They are only allowed to ask for support of their membership drive (which is \$5.00). Should any resident encounter a canvasser who becomes "pushy or demanding", please contact the Glendale Police at 678-1016 and the subjects will be asked to leave. All canvassers have had a full background check completed. Should you have any questions or concern, please call me directly at 771-7645.

Thanks Chief Warman
