Purpose;

There is great demand for our recreational fields and flexible Administrative policies are necessary to protect both the condition and availability of the fields. Over 1,000 families pay taxes to provide and maintain these 4 recreational parks and the Village of Glendale will strive to share the time fairly and equitably among all of these taxpayers. The Village Administration reserves the right to amend these policies when in the best interest of the Village. Amendment(s) may include limiting time availability, day availability and or denial of use. Should a sport activity be deemed too harsh, inappropriate or injurious to the physical condition of the park(s), an application may be rejected. Failure to follow procedures and or rules will also result in rejection of present and future use. Those continuing to violate these rules and or regulations, after receiving reasonable notice, may be prosecuted in the Glendale Magistrate Court under section 96.02.
