Construction debris are tricky. If the item can be reused or salvaged, Building Value

<http://www.buildingvalue.org/> or the Habitat for Humanity Restore

<http://www.cincinnatihabitat.org/> may take it. There are places that recycle asphalt and concrete:

Fox Services (513-858-2022)

Morrow Gravel Co (800-686-9725)

Wooster Materials (513-321-7382)

Hafner and Sons (513-321-1895)

Cincinnati Bulk Terminal will recycle carpet (621-4800 ext 242)
